Sound Confirmed: Yes No-conflict

Projection Confirmed: Yes No-conflict

Platform Layout

LYRIC PROJECTION

If your event requires lyric projection, please submit a song list with the name of the song, Artist/version, and all lyrics for original songs. To ensure proper projection, our visual support technicians may ask to review lyrics prior to the event.

Lyrics and song lists can be directly emailed to media@nctag.org.

Lyric projection for your event must be approved by our pastoral staff BEFORE it can be provided.

Name of Song	Artist / version
